## What Gives-Your Life Meaning?

## In your journal:

1.	What did your parents think gave life meaning?
2.	Name three areas that you feel give your life meaning.

3.	What about these things matter to you/ light you up?
4.	
	How could you do these things more justice in your life?
	How could you do these things more justice in your life?
	How could you do these things more justice in your life?
_	How could you do these things more justice in your life?
	How could you do these things more justice in your life?
	How could you do these things more justice in your life?
	How could you do these things more justice in your life?
	How could you do these things more justice in your life?
	How could you do these things more justice in your life?
	How could you do these things more justice in your life?
